

Instructions for Easy Installation & Assembly

elfa® décor Alternate Fascia

Step 1 Install Fascia on the Ventilated Shelves

TIP

- When two Shelves share the same Bracket, first install the Fascia on both sides of the shared Bracket. Then, install the remaining Fascia.

- Place the Shelf on the floor. Make sure the middle support wire(s) running the length of the Shelf is facing downward.
- Position the front of the Shelf into the groove of the Fascia, lining up the ends of the Shelf and Fascia.
- Place a clip (included in package) on the fifth wire from each end of the Shelf. **(Figure A)**
- Place the third clip in the center of the Shelf.
- Attach with screws provided.

Step 2 Install the Ventilated Shelves with Fascia

- Tilt the back of the Shelf upward and slide Fascia notch under the front of the Bracket. **(Figure B)**
- Place the Shelf wires over Shelf Bracket notches.
- Install the Shelf with end wire inside the Bracket.
- Lock the Shelf into place by pressing down on the middle of the Shelf and pushing toward the wall. **(Figure C)**
