

P'kolino Kube Table

Thank you for choosing the P'kolino Kube Table!

P'kolino is all about functional products, and the Kube Table holds true to that same spirit. This sturdy table top integrates with our Kube storage system; a great addition to the P'kolino Family. Simply set the Kube Table on top of two Kubes (or Drawers) and voila, a new big working surface for the children!

Using Your P'kolino Kube Table

Connect the Dots

The circular holes on each Kube are more than a funky aesthetic. With the help of the foam "Dots" (the circular foam discs included with your Kube) these holes actually secure the Kube Table to the top of two Kubes.

How it Works

Place Kube Table on top of two Kubes, aligning the holes. Insert a "Dot" into the hole until it is flush with the Kube Table and Kube. Connectors should be checked periodically to ensure they are secured as frequent movement may loosen them.

DO NOT CLIMB ON KUBE TABLE.

DO NOT CLIMB IN OR ON KUBES.
